

Dolly M. Curley
RN, BSHCA, BSN, DABFN, LNCC
SENIOR MANAGER

Dolly M. Curley brings over 15 years of legal nurse consulting experience to Simione's Compliance team.

As a certified legal nurse consultant Dolly has testified on home care standards of practice and has provided consultation and expertise to both plaintiff and defense attorneys in areas of medical malpractice, personal injury, workers compensation and criminal law. Dolly is the founder of expertHQ, a legal nurse consulting firm. Dolly's clinical and administrative experience includes critical care, risk management, performance improvement, CEQI (Clinical Effectiveness and Quality Improvement), home care and hospice administration, and health care consulting. Dolly has developed and conducted numerous presentations for hospitals, regional and national educational conferences and has conducted courses through PESI, Professional Educational Services Incorporated. She served as a faculty chair at the University of Delaware where she developed and taught the LNC, Risk and Compliance certificate programs.

Dolly received a BS in Healthcare Administration from St. Joseph's College in Windham, Maine and a BSN from Immaculata University in Frazer, Pennsylvania. She earned the status of DABFN from The American College of Forensic Examiners and is a member of The American Association of Legal Nurse Consultants; AALNC; and The American Society of Risk Management; ASHRM.
