

Folashade Ajayi
Manager

Folashade joined Simione Healthcare Consultants in 2019 as a Manager to support the firm's continued role as the cost report leader in home health and hospice. She has more than 15 years of experience in accounting, audit and customer service to support corporate operations and healthcare compliance and billing standards. As seasoned auditor, Folashade has a strong background in CMS regulations and Medicare/Medicaid audit and reimbursement. Her industry experience includes audit and customer service roles for two Medicare program administrators since 2012. Based in Texas, she works to help clients in home health, hospice and private duty care ensure effective cost reporting and financial operations for Medicare reimbursement.

Folashade started her career with more than five years of service in corporate settings for Vonage Holdings and BASF, both in New Jersey, where she gained extensive experience in customer service and account management. Between 2012-2019, she worked in progressive roles as an auditor for Trailblazer Health Enterprises and Novitas Solutions (TX), and Noridian Health Solutions (ND).

Folashade earned a bachelor's degree in accounting from Kean University, Union, New Jersey, and is pursuing graduate studies in business at Louisiana State University, Shreveport.
