

Nicole Hawthorne
RN, BSN, COS-C, HCS-D
Senior Manager

Nicole joined the Simione team as a Senior Manager in 2020 to focus her extensive experience with the M&A team to support clinical integration and operational effectiveness. As both a consultant and agency leader, Nicole's 20+ years of expertise span the areas of clinical and administrative operations, due diligence, quality, coding and OASIS, education, and program development.

A Georgia resident, Nicole has worked as a consultant since 2009, and previously worked in progressive clinical and administrative roles in Georgia with Community Health Systems of Georgia, United Home Care/ United Clinical Services, Hamilton Home Health and Hospice, and Interim Healthcare of North Georgia.

A certified clinical OASIS specialist and home care coding specialist, Nicole earned a BSN from Georgia Baptist College of Nursing.
