

Robert Giljohann
Senior Manager,
Data Analytics

Robert Giljohann joined Simione Healthcare Consultants as Senior Manager of Data Analytics in 2018. A resident of Brookfield, Wisconsin, he has extensive experience in financial analysis, technology and data applications in healthcare and other corporate settings.

Robert's primary focus is the development of tools and technology to enhance cost reporting, benchmarking and financial performance for the home health and hospice industry.

A former senior data analyst for Integrated Health Network of Wisconsin, Robert also served for several years as a business and commercial sales analyst with a franchise corporation and a parking management company, where he gained experience in revenue forecasting and growth strategies, technology and reporting, process improvement and customer service.

Robert graduated from the University of Wisconsin-Oshkosh with a bachelor's degree in business finance and a minor in insurance and financial planning.
