

Mark Romano
SENIOR MANAGER

Mark Romano is a Senior Manager at Simione Healthcare Consultants with broad-based expertise in financial consulting, including budget preparation, cash flow projections, AR recovery, and cost reporting. A Simione employee since 2005, he is also an experienced interim financial executive.

Mark has researched, adjusted, and rebilled outstanding claims in the Misys and Cerner systems, and when necessary, researched, adjusted and rebilled outstanding claims through Medicare and FSS (Florida Shared) DDE, as well as through certain Medicaid programs. He has assisted in many operations/financial analyses and financial due diligence efforts for home health and hospice agencies.

A member of the National Association for Home Care & Hospice, Mark is a graduate of Quinnipiac University with a B.S. in accounting.
