

Kristi began her career in human resources and recruiting in 2009, joining the Simione team in 2017, as a member of the Exact Recruiting team, a Simione Talent Solution.

She has developed extensive knowledge in talent acquisition across the healthcare, manufacturing and retail industries, previously serving as an Executive Researcher with Healthcare Concepts, Memphis. She has built a strong network of resources to specialize in meeting the recruiting needs of home care, hospice and palliative care organizations.

Kristi earned her bachelor's degree in communications from the University of Georgia, Athens, and is pursuing graduate studies in business administration.
