

Lisa Weber
MBA, CHCE
Senior Manager

Lisa is a Senior Manager at Simione Healthcare Consultants with more than 20 years of financial and management expertise in progressively responsible positions.

Her experience includes a proven ability to successfully direct and implement change across inter-disciplinary departments. Lisa has demonstrated proficiency in data analysis, information systems and communication skills that reduced operating expenses, increased cash flow and improved patient outcomes.

Prior to working at Simione Healthcare Consultants, Lisa was a Director of Finance and was Responsible for full fiscal management of \$5 million annual budget. She was accountable for integrated financial reporting with hospital system, grant administration, budget preparation and presentation, supervision and direction of annual audit and cost reporting requirements.

Lisa has served as a member of the executive management team with significant involvement in strategic planning for organization, including clinical, business and information systems.

Lisa is a member of the Home Healthcare Financial Management Association as well as the National Association for Home Care & Hospice. She has been a member of the HHFMA Membership Committee and currently serves on the NAHC Policy Committee. She is a graduate of State University of New York with a Masters in Business Administration. A Certified Home Care and Hospice Executive (CHCE), Lisa is also a Six Sigma Black Belt and EPIC-certified in both home health and hospice billing.
