

Camala (Cammy) Mueller
RN, BSN
Senior Manager

Cammy joined the Simione team in 2020 to support the business development goals of home care and hospice clients with her strong background in marketing and referral management, and clinical care since 2008. She previously led marketing and referral relations at OSF HealthCare, Home Care Services, Peoria, IL, where she served more than seven years in progressive roles to support home health admissions, referral/admission integration, and hospital readmission reduction.

Her clinical nursing experience includes home health and hospice case management (United Hospital District, Blue Earth, MN), family medicine (Mayo Clinic Health System, Owatonna, MN), acute care (OSF Saint Elizabeth Medical Center, Ottawa, IL), senior living community care (Franciscan Care Solutions, Lemont, IL), and hospice admissions and team management (Vitas Healthcare, LaSalle, IL).

Cammy earned her BSN from Minnesota State University.
