

Julia H. Maroney
RN, MHA, HCS-D, COS-C
Managing Director

Julia is a Managing Director at Simione Healthcare Consultants with more than 30 year of progressive experience as a nursing leader and consultant, including 15 years in home care and hospice nursing management and 10 years in home care and hospice executive management. She leads team consulting efforts in clinical operations to support clients with expertise in organizational structure, clinical and quality management, process engineering and strategic planning.

Her consulting efforts include numerous clinical operations improvement projects, the development of a clinical management training curriculum, and nursing expertise and support for operations, strategic growth, technology and compliance initiatives.

Julia's executive background includes agency achievements with national recognition for cost and quality, a pristine record of results with the Joint Commission, Medicare and state surveys, and a passion for quality improvement and operationalizing regulatory requirements.

Julia achieved her Green Belt in Lean Six Sigma processes with the Juran Institute in 2005, and is certified as a home care coding specialist. She is a member of the National Association for Home Care and Hospice and the National Hospice and Palliative Care Organization.

A licensed professional nurse, Julia earned a B.S. and a Master of health care administration from St. Joseph's College in Maine.
